### Mission to Mundulkiri Province

Borbuoy is a village along the road to Mundulkiri province and it is a Pnong village, and it is also our new outreach point for the gospel of Christ. We been there a couple times to do evangelized, children outreach and visit some people. One of our pastor from Kratie province he is a friend of a big chief in that village. so that is our opportunity to visit him and tell him about Jesus.

There is only one primary school, 3 rooms, 6 classes, in that village and when they finish that school some students they stop and help their parents for doing agriculture.

Children Outreach

During our mission trip this month, there were around 10 children came to our children outreach and had a good time with us, we did visit and evangelized to several houses in that village. For visited Pnong families we had our translators that came with us from Kratie province

and they translated all the questions that they (Pnong) had and our answers to them.

Evangelized to one Pnong family.

Most people in Borbuoy are Pnong and a few are from other province that moved to live there. Pnong they live under devil spirit and they do scarify a lot things to those spirit. like dog, chickens, buffalo... Please join us in pray for freedom on Pnong people.
