It is 10 kilometers south east of Rolorch village, and there are 50 families, most of them believed and live under devil spirits. They do speak their own language and some can Khmer (Cambodian).

Because of good news of Jesus Christ and his Great Commission, we went there to visit them and shared the gospel. We really give thanks to God that opening the door for us, the village chief he welcomed and allowed us to shared the gospel of Jesus Christ in his house. we shared our testimonies and God's words to them and we played testimonies and biblical stories in their language through cassette player for them to listen as well.

There were 10 people came to listen and They got many questions about Christian faith and Christian's life. Event they did not accepted Jesus Christ as their Lord and Savoir but there were some people start to

open their heard and God started doing some thing in their lives. The village chief he said that he welcome for us for coming next month. We really want to see them free from the devil spirits and accept Jesus Christ as their Savior and Lord. Please join us pray for Sre Noun and pray for our team for protection and strength.
